

## SMITH'S PITCHING

Too Much for St. Joe—He Shut Them Out.

Kaws Batted Boehler Hard Enough to Make 5 Runs.

St. Joseph, Mo., July 7.—Poor fielding on the part of the Drummers and the effectiveness of Smith won the second game of the series for the Kaws here yesterday before a slim Sunday crowd. Smith was in rare form and blanked the Drummers, the final count being 5 to 0.

Boehler was not much of a puzzle to the Kaws, for they peppered him consistently throughout the game and these blows, together with the errors back of him, resulted disastrously, as the score shows. At the same time, Smith had Boehler's number, for every time the ex-Detroiters came to bat he struck out.

Smith shone not alone on the mound yesterday afternoon. His work with the bat and on the bases was decidedly helpful. He got a clean hit in the ninth, went clear to third off a single immediately after, and tallied on a double steal.

The Kaws got off in the lead early in the game, scoring one in the second. Forsythe led off with a single to center, and took second when Boehler threw wild to first. Manager Goss saw a chance to win the game and singled to right, counting Forsythe. Rapp and Crist grounded out and Barry batted, ending further chances to tally that day.

Boehler retired the visitors without much trouble in the succeeding round, but they came back doubly strong in the fourth. Lee was first up and singled to left. Forsythe followed with a blow in the same direction, Lee advancing to second. Lee was caught asleep off second. Boehler to Western. Gear singled to right center, Forsythe going to third, and the latter scored off Rapp's sacrifice fly to Zwilling. Gear going to second, Crist walked. Gear scored and Crist took second, while Barry was safe at first, when Western let the latter's grounder get away from him. Smith grounded out, Brewer to Boehler.

With two down in the fifth, the Kaws marked again. Lee was hit by a pitched ball. Forsythe was safe at second and Lee went to third when Western let the ball go. Smith's effort to force Lee. Gear got an infield hit, scoring Lee. Forsythe advanced to third. Smith's was caught off third, Griffith to Watson to Griffith. Two hits, an error and a double steal gave the Topeka team another in the ninth. Smith singled to right, after two were out of the way. McLarry singled to right center, Smith sprinting to third. On an attempted double steal, McLarry was safe at second when Ochs muffed the throw from Ketter. Smith counting. French was out, Watson to Brewer, retiring the side. The score:

Notes of the Game.  
Umpire Segrist was ill from the effects of being overcome by the heat at Omaha on the fourth of July and Barney Reilly, the former Drummer second baseman, handled the indicator yesterday. Boehler and Crist served in that capacity. French was out.

The Drummers are crippled badly. They played like a bunch of bushers and showed the severe loss of Kelley, Melnick and George Watson from the lineup.  
Manager Gear was the batting hero yesterday, gathering three singles out of four times up. Forsythe got two safeties and made as many runs. McLarry not only hit well, but played a star game in the field. He made some sensational catches that looked like sure hits. Lee robbed Ochs of a blow in the eighth by pulling down a high fly.

Smith pitched a great game and deserved to win. He never failed to lighten in the holes, several of which looked bad for a time.

Wichita Wins Two.  
Wichita, July 7.—Wichita pounded all the Omaha pitchers hard and won both games. The Wichita pitchers were well supported and kept Omaha's blows scattered.

Manager "Calks" Evers' Horse Play.  
Chicago, July 7.—Chicago and St. Louis broke even in a doubleheader here the locals winning the first game and forfeiting the second to St. Louis 9 to 0. The locals bunched hits off Harmon in the opening game and in the second difficulty winning behind Pierce's fine pitching.

It was agreed by the managers of both teams that the second game would be called at 5 o'clock, to enable the visiting club to catch a train. Orval Overall was selected to pitch for the locals in the second and the visitors bunched enough hits in the opening inning to make three runs. Saliee, who had retired the locals in their half and Manager Evers began to "stall." When Overall went to bat he had one strike and Bresnahan, who was in the club house, was sent for to bat in his stead. Bresnahan walked leisurely across the field and the crowd began to hiss. Finally he stepped into the batter's box and when the pitcher got in position, he stepped out of the box and with his eyes with his handkerchief, but the umpire made Saliee put the ball over, and he called, "one strike."

The next inning, Reulbach came in to pitch, and he took his time warming up. Mowrey opened with a single to left and stole second. Then the locals began tossing the ball about and Mowrey was finally called out at third. Konecny followed with a home run in the fourth inning. Wingo laid down a bunt to Reulbach and the pitcher threw the ball wild to first. The ball was relayed to Evers in plenty of time to catch him at second, but he made no effort and Wingo went down to third and still there was no effort made to catch him. At this juncture, Umpire Eason, who had cautioned the locals and Manager Evers, sent Reulbach to the mound to delay the game, walked to the stand and said that the game was forfeited to St. Louis, 9 to 0.
